This fully narrated tour includes humor, history and cultural highlights as we tour the town through historic districts and beautiful neighborhoods. First, we'll visit the **Turquoise Museum** (in Old Town) where we will learn the true colors of turquoise and learn how to shop for jewelry during a humorous short seminar given by the author of *Turquoise Unearthed*. Bring along your favorite piece of turquoise and discover its origin and value! The tour continues with a cruise down **Historic Route 66** and a little stroll in the downtown area to see the **Kimo Theater** and an **original Route 66 trading post** (both circa 1928). We'll stop at a **scenic overlook** and also see the famous **Albuquerque International Balloon Fiesta Park**. We'll drive through an **exclusive village** which is surrounded by Albuquerque and a stop at a **chile roasting stand** is essential (it's not a New Mexican tour without including chile!) The tour concludes with a visit to **San Felipe de Neri Church** and a restaurant orientation of **Old Town Plaza** the original location of Albuquerque in 1706 with free time for dinner.
